Tender success in two WA shopping centres.

MCS Services Limited (ASX: MSG) is pleased to advise that it has been successful with a tender for continuing work at two suburban shopping centres in WA for a further two years through to 2022 with an option of two 12-month extensions.

The shopping centres are the Phoenix Shopping Centre in Spearwood and the Altone Park Shopping Centre in Altone, both in Western Australia. Both centres are managed by CBRE, Australia's largest commercial real estate services company.

The winning of these centres demonstrates further that MCS Security is the leading provider of guard services to retail shopping centres throughout Western Australia.

The aggregate gross value of these contracts over the duration of the two-year term is estimated to be in excess of one million three hundred thousand dollars.

MCS Security CEO Paul Simmons said "We are very pleased to have won this tender and to continue our service at these centres with this valued client. MCS Security always seeks to exceed our client expectations and the service provided to the client has assisted us in continuing this long and successful relationship."
